February 14, 2011 – City Council Dinner Briefing

Median Maintenance for Landscape Services

Staff Resource: John Lojko, Engineering & Property Management, 704-336-5056, jlojko@charlottenc.gov

In the February 18 Follow-Up Report was a listing of only one median location (East District "A") in response to Council member Dulin's request for additional information about the locations of the six Median Maintenance Contracts. Attached are the remaining five median locations (East District "B", West District "A", West District "B", South District "A", and South District "B") that were omitted from the original February 18 Follow-Up Report in error.
