NEIGHBORHOOD *update*

East Forest Neighborhood, Phase 2

July 2011

Phase 2 of the East Forest Neighborhood Improvement Project is nearing completion with design.

The project team is working diligently with CSX Railroad to finalize the storm drainage plans. The proposed storm drainage improvements will address flooding around the Old Post Road/Mclaughlin Drive area and the Coatbridge Lane/Mclaughlin Drive intersection. The proposed sidewalks along Bainbridge Road, Melba Drive, Forest Way Drive and portions of Vista Drive, Knickerbocker Drive and Old Post Road will be constructed with the storm drainage improvements.
