June 2016

Charlotte-Mecklenburg Storm Water Services and Sealand Contractors Corporation continue with the construction phase.

Installation of the 54” reinforced concrete pipe (RCP) along 12th Street between N. Brevard Street and College Street has been completed. Installation of the 30” RCP along N. Brevard Street has also been completed.

Sealand will start installation of the 24” RCP along N. College Street next week. Paving will begin once all pipes have been installed.
