Update on Airport Taxi Service RFP

Staff Resource: Jerry Orr, Aviation, 704-359-4006, tjorr@charlotteairport.com

In Council Manager Memo #62, City Council was advised of a Request for Proposals (RFP) for Taxi Service issued by the Airport on August 18, 2010. In response to comments from representatives of the taxi industry at the August 23 Citizens' Forum, Council asked if the RFP due date could be changed and Aviation Director T. J. Orr agreed to do so. In fairness to all participants in the process, it has been determined to suspend the RFP until further notice. Council referred the matter to the Community Safety Committee. The Committee will meet on Tuesday, September 7, 2010, at 12:00 noon in Room 280 to receive additional information on the proposed RFP. The Request for Proposals for Taxi Service will be the only agenda item at the committee meeting.

Economic Recovery Newsletter

Staff Resource: Kim McMillan, Corporate Communications, 704-336-2643, kmcmillan@charlottenc.gov

The latest edition of *Stimulating Times*, the City's economic recovery newsletter, features updates on the Shasta Lane improvement project, the commercial and apartment retrofit grant programs, the neighborhood energy challenge, the on-street Center City recycling project and an introduction of Daria Milburn, program manager for three of the energy efficiency programs. Hard copies of the newsletter will be distributed to Mayor and City Council in Friday's packet .

Past issues along with grant information and press releases are available on the economic recovery page at charmeck.org:
