FINANCE COMMITTEE REPORT RELATIVE TO PARK AND RECREATION COMMISSION

Mr. Ross, as Chairman of the Finance Committee, reported in connection with the request referred to his committee at the last meeting by the Negro Citizens League for better park and recreation facilities, read a letter from the City Attorney, in which the City Attorney stated that the City Charter provides that the general control, management and authority over parks and playgrounds shall be vested in the Park and Recreation Commission. And that in his opinion, this means that under

normal conditions the Commission has full and complete discretion with respect to the parks and playgrounds.

Also, in answer to the question as to whether the Council can appropriate tax money, other than that which is derived from the 2¢ parks and playgrounds tax levy, to supplement the funds at the disposal of the Commission, he stated that he did not think so, citing a case which went to the Supreme Court from Durham several years ago, but also stated that several years later a case went up from Wilmington in which the contrary was decided, and that in view of the fact that the Wilmington case represented the latest decision, the City Attorney expressed the opinion that the Council cannot appropriate to the Parks and Playground Commission any tax money except that represented by the 2¢ tax levy referred to above. He added, however, that if by donation or otherwise non-tax money should come into the hands of the City, it could be appropriated to the parks and playgrounds should the Council so decide.
