ORDINANCE NO. 779

AMENDING CHAPTER 2

AN ORDINANCE AMENDING CHAPTER 2 OF THE CODE OF THE CITY OF CHARLOTTE BY ADOPTING A NEW ORDINANCE DEFINING THE RIGHTS AND DUTIES OF COUNCIL MEMBERS AND OTHERS TO REVIEW CHARLOTTE POLICE DEPARTMENT CRIMINAL INTELLIGENCE FILES.

BE IT ORDAINED by the City Council of the City of Charlotte that:

Section 1. Chapter 2 of the Code of the City of Charlotte is hereby amended by adding a new Division 5 to read as follows:

"DIVISION 5

Sec. 2-37. Purpose.

The City Council recognizes the necessity for the Police Department to collect and maintain criminal intelligence files in an effort to prevent, control or reduce crime or to apprehend criminals. To permit general access to such files would effectively frustrate and unnecessarily complicate the role of law enforcement. However, the City Council also deems it in the public interest that criminal intelligence files be subject to review to protect against the possibility of abuse. Therefore, the purpose of this ordinance is to establish a review process for Police Department criminal intelligence files.

Sec. 2-37.1. Definition.

For the purpose of this ordinance, "criminal intelligence files" shall mean any files collected and maintained by the Police Department containing information or knowledge about persons or organizations engaged or contemplating engaging in criminal activities.

Sec. 2-37.2. Review.

The Mayor, or any member of the City Council, may review the criminal intelligence files by stating his intent to do so at a regularly scheduled or special meeting of the Council prior to such review. In addition, the City Council may, by an affirmative vote of a majority of its membership, designate a representative to review the criminal intelligence files at any time whenever such a review is deemed necessary or desirable. The designated representative may be a member of the Municipal Information Advisory Board or such other person as the Council may in its discretion choose to designate."

Section 2. This ordinance shall become effective upon its adoption.
