Committee came out of closed session (9:30am)

Mayor – We need to schedule a meeting with the full Council in advance for our Nov 12th meeting.

Jennings – It's a zoning meeting combined with a business meeting.

Mayor – I suggest 90mins for the meeting.

Cooksey – Zoning is at 4pm Monday Nov 12th, or we can meet once we finish up zoning but the business meeting is after zoning. We have to do zoning at 4.

Jennings – We will set something up at 2:30 on Nov 12th.
