### AGENDA

#### I. Gentrification Referral (No Action Required)

In April 2014, City Council referred the issue of gentrification to the Housing & Neighborhood Development Committee for additional study. The Housing & Neighborhood Development Committee will continue their discussion on this topic and has invited Tyler Mulligan, from University of North Carolina-Chapel Hill’s School of Government to share potential gentrification strategies applicable in North Carolina.

Mr. Mulligan’s areas of expertise include community development, affordable housing, and economic development. At the School of Government, Mr. Mulligan counsels state and local government officials and their partner organizations regarding community economic development, revitalization efforts and development finance.
