National Night Out

Staff Resource: Elaine Woods, Neighborhood and Business Services, 704-336-7846

National Night Out will be celebrated on Tuesday, August 7. National Night Out provides an opportunity for neighbors to come together to take ownership of their neighborhood's safety and quality of life. Neighborhood residents plan events that help them strengthen relationships among themselves as well as with service providers such as Police, Fire, and Neighborhood and Business Services.

Attached (see last page) is a list of National Night Out events that was compiled by Neighborhood and Business Services. There will be other events throughout the city but this list contains those events for which Neighborhood and Business Services has had some contact with the organizer. Council members may wish to attend some of these events.
