Cooperating Purchase Partner Change.....	2
Semi-annual Report on Disposal of Surplus Personal Property	2

INFORMATION:

Cooperative Purchasing Partner Change

Staff Resource: Victoria O. Johnson, Solid Waste Services, 704-336-3410, vjohnson@charlottenc.gov

On November 25, 2013 City Council approved the consent item “Compressed Natural Gas Refuse Vehicles Grant Acceptance and Purchase”. The action allowed for the purchase of five compressed natural gas refuse truck cab/chassis from a cooperative purchasing contract as authorized by G.S. 143-129 (e)(3) with Buyboard National Purchasing Cooperative, and the approval of a contract with Chastang’s Bayou City Autocar for the purchase of the vehicles.

Since that time, Chastang has ended their agreement with the Buyboard Cooperative and entered into a new agreement with another purchasing cooperative, Houston-Galveston Area Council Buy. Charlotte will utilize this new cooperative purchasing contract to purchase the vehicles from Chastang at the same price as approved in the Council action. All other information is unchanged.

Staff estimates the trucks will be placed into service first quarter of FY15.

Semi-annual Report on Disposal of Surplus Personal Property

Staff Resource: Marie Harris, Shared Services, 704-336-7885, mharris@charlottenc.gov

Shared Services manages the disposal of the City’s end-of-life and surplus property and seeks to maximize the value of this property by employing different disposal strategies. One of the disposal tools approved by City Council is permitting the Director of Shared Services to declare single items or groups of personal property items valued at \$30,000 or less as surplus and then to dispose of them through a competitive process. This authority was granted by City Council and provides for a semi-annual reporting of all property sold under this authority. The report is to detail the property sold or exchanged, to/with whom it was sold or exchanged, and the amount of money or other consideration received for each sale or exchange. Property disposed of by this method for the period 7/1/2013 through 12/31/2013 is detailed in the attached spreadsheet.
