Storm Water Services Maintenance/Repair Backlog

Staff Resource: Jennifer Smith, E&PM, 704-336-7924, jqsmith@charlottenc.gov

During the Citizens' Forum, Keith Jefferson shared concerns about a sink hole along a storm drain on his property. The attached summary addresses questions raised by Council members at that time and gives additional perspective on the prioritization approach of the storm drain maintenance program. Additional discussion and detail will be provided during the budget process.
