City Clerk Minutes on 1997 CRB Discussions

Staff Resource: Stephanie Kelly, City Clerk, 704-336-4515, sckelly@charlottenc.gov

During the Citizen’s Forum, Mayor Pro Tem Cannon requested the minutes from a 1997 Council meeting to compare between then and now the citizens requests and recommendations relative to the Citizens Review Board (CRB).

Attached are minutes from the June 9, 1997 Council business meeting documenting the discussion and recommendation to revise the MOU between the City of Charlotte and the Community Relations Committee (CRC) amending Chapter 16 of City Ordinance #849. The second attachment is the resolution directing the City Council to seek amendments to North Carolina General Statute 160A-168 to permit the limited disclosure of personnel information and to adopt interim procedures, pending the amendment of the statute. The third attachment reflects the adopted and revised City Ordinance (#849) amending Chapter 16 to create the Citizens Review Board for the City of Charlotte.

To conserve paper, staff has included the referenced attachments in the electronic copy of the follow up report, while making hard copies available for review upon request and in the Council Library adjacent to the Council offices.
