# Project Overview

## Legend

-  Project Corridor
-  Project Study Area

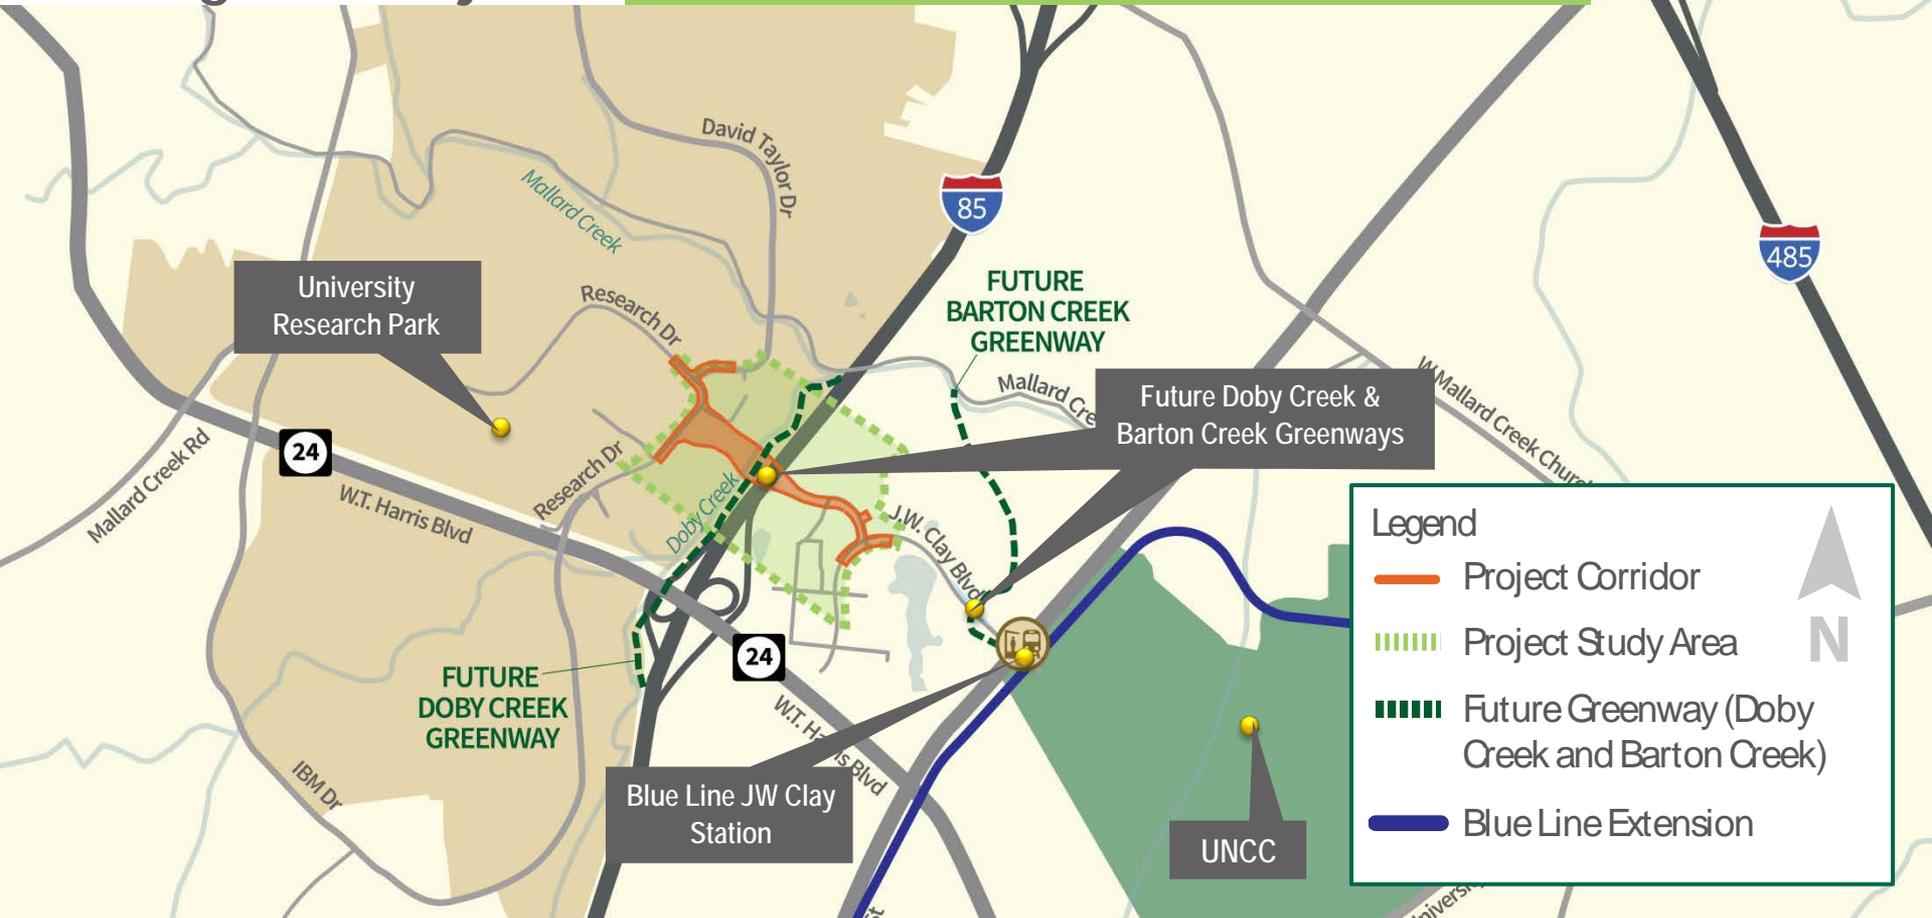

# Why are we doing the Project?

Provide connectivity across I-85 and an alternative route to W.T. Harris Boulevard and Mallard Creek Church Road interchanges.

# Why are we doing the Project?

Provide a direct connection between...

**Legend**

- Project Corridor
- Project Study Area
- Future Greenway (Doby Creek and Barton Creek)
- Blue Line Extension

North arrow (N)

# Why are we doing the Project?

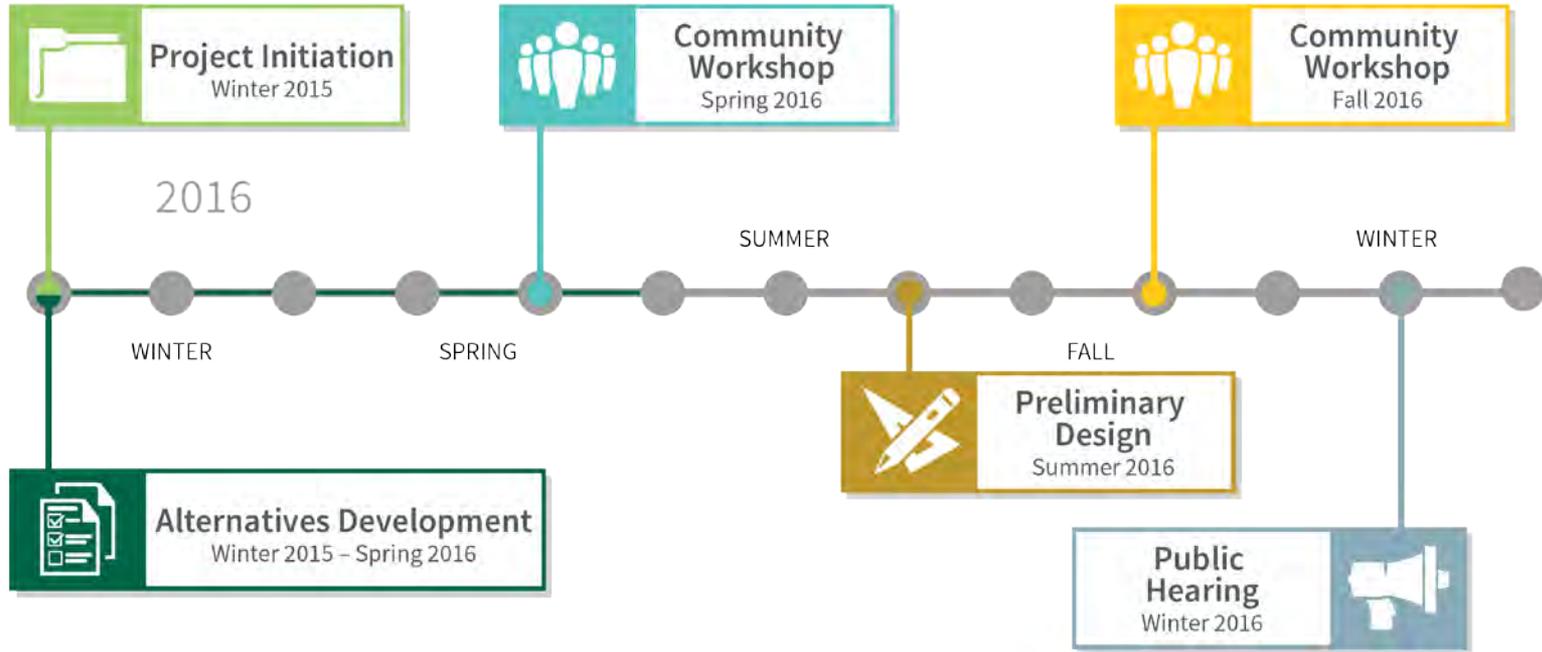

- Provide safe and efficient facilities that accommodate all modes of transportation: motorists, bicyclists, pedestrians, and transit.
