

CNIP Projects are starting!

Public Meeting

Tuesday, September 27 - 6:30-8 p.m.
CrossWay Community Church
6400 Prosperity Church Road

Jimmy Oehler Road Sidewalk Project

<http://charlottenc.gov/projects>

The Jimmy Oehler Road Sidewalk Project was identified during the Prosperity Village Comprehensive Neighborhood Improvement Project (CNIP) Public Engagement Process.

The Jimmy Oehler Road Sidewalk Project limits are along Jimmy Oehler Road from Creek Breeze Road to Oehler Bridge Drive. Filling this piece of a gap in the sidewalk system will allow a safe route for students to walk across I-485 to Mallard Creek High School.

Join City staff at a public meeting Tuesday September 27 from 6:30-8 p.m at CrossWay Community Church (6400 Prosperity Church Road) to view the design plans and learn more about this project.

We look forward to seeing you!
