NEIGHBORHOOD *update*

**East Forest
Neighborhood,
Phase 1**

February 2010

Through an extensive public input process, residents from East Forest worked with City and Consultant staff to prioritize improvements for their neighborhood selecting sidewalk and curb and gutter.

The real estate acquisition phase is nearing completion. The bid phase, typically a four-to-five month process, will begin next. During this phase, the City takes competitive bids from responsible contractors to perform the construction work. Construction is scheduled to begin in the fall of 2010.

We will continue to keep you updated on the status of this project. For more information, please contact Kristie Kennedy, Engineering & Property Management Project Manager at 704-336-6194 or kkennedy@charlottenc.gov.
