

NEIGHBORHOOD *update*

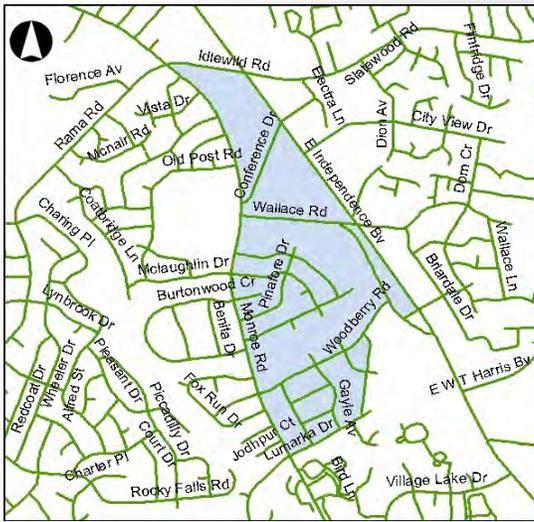

**East Forest
Neighborhood,
Phase 1**

October 2012

In November, trees will be installed in the planting strips and other key locations along Eaglewood Avenue, McLaughlin Drive and Lamarka Drive. All trees will be installed within the City right-of-way. After installation, a one-year warranty phase will begin. The contractor will

water the trees during the warranty phase.

This project included the installation of sidewalk along segments of Eaglewood Avenue, McLaughlin Drive, Pinafore Drive, Lumarka Drive and Pebbleridge Drive. In addition to this work, CDOT Street Maintenance installed new curb and gutter along Lumarka Drive, Gayle Avenue, Revlon Place and Dwight Street.

We appreciate your patience during construction of this project. For more information, please contact Kristie Kennedy, Engineering & Property Management Project Manager at 704-336-6194 or kkennedy@charlottenc.gov.
