

CHARLOTTE.

BID AND CONSTRUCTION

NEIGHBORHOOD *update*

EAST FOREST NEIGHBORHOOD

AUGUST 2013

East Forest Neighborhood Improvement Project

For more information on this project, please contact: **Kristie Kennedy, E&PM Project Manager**
704-336-6194 or kkennedy@charlottenc.gov

The real estate acquisition phase is nearing completion and the bid phase will begin in November. During this phase, the City takes competitive bids from responsible contractors to perform the construction work. Construction begins after City Council approves selection of the lowest responsible bidder. Construction is expected to begin summer 2014.

This project will include sidewalks along Bainbridge Road, Melba Drive, Forest Way Drive and portions of Vista Drive, Knickerbocker Drive and Old Post Road. New catch basins and storm drainage piping will be added in a few locations in the roadway of Coatbridge Lane and McLaughlin Drive. A detention pond will be constructed at 6931 Old Post Road and the stream leading into the pond will be restored (cleaned and re-graded for better drainage into the pond).
