

## Sunset Road Sidewalk Project

### *Building Value for Charlotte*

Real estate acquisition is nearing completion on the Sunset Road Sidewalk Project. This project is part of the City's Sidewalk Program to enhance connectivity, offer transportation choices and improve pedestrian safety.

**April 2016**

## Sunset Road Sidewalk Project

### *Building Value for Charlotte*

Real estate acquisition is nearing completion on the Sunset Road Sidewalk Project. This project is part of the City's Sidewalk Program to enhance connectivity, offer transportation choices and improve pedestrian safety.

**April 2016**

## Sunset Road Sidewalk Project

This project will install sidewalk along both sides of Sunset Road from Beatties Ford Road to Statesville Road; existing sidewalk will be used where available. The project will also upgrade the I-77 bridge with raised sidewalks and new railings, as well as improve pedestrian crossings at intersections and bus stops.

The real estate phase, a 12-month process, is nearing completion. All rights-of-way and easements have been acquired and utility relocations are being negotiated. The project will be bid for construction after utility companies start their relocations. Construction is estimated to begin early 2017.

The Project Team appreciates your patience during this process. We will continue to keep you informed on the status of the project.
