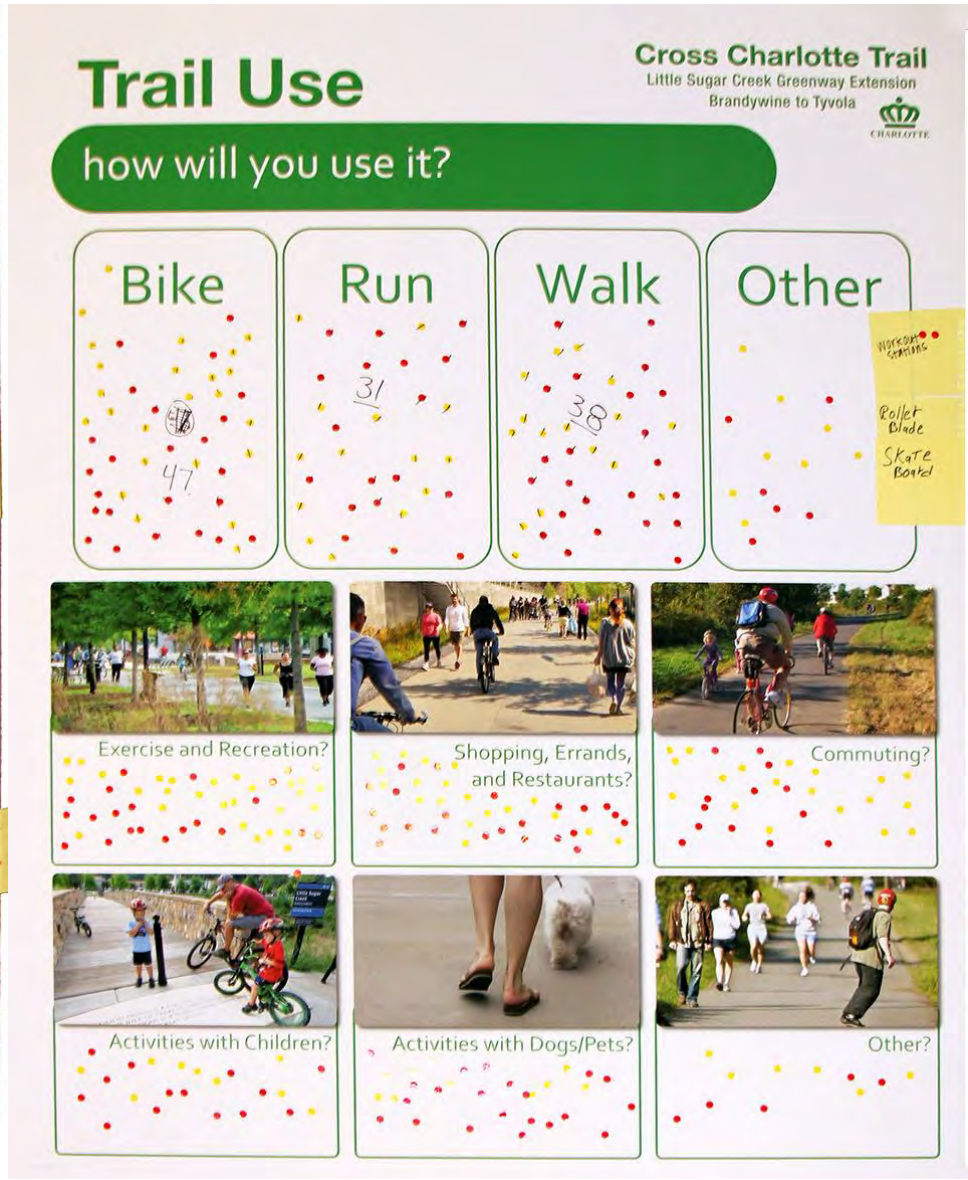
Preliminary Results

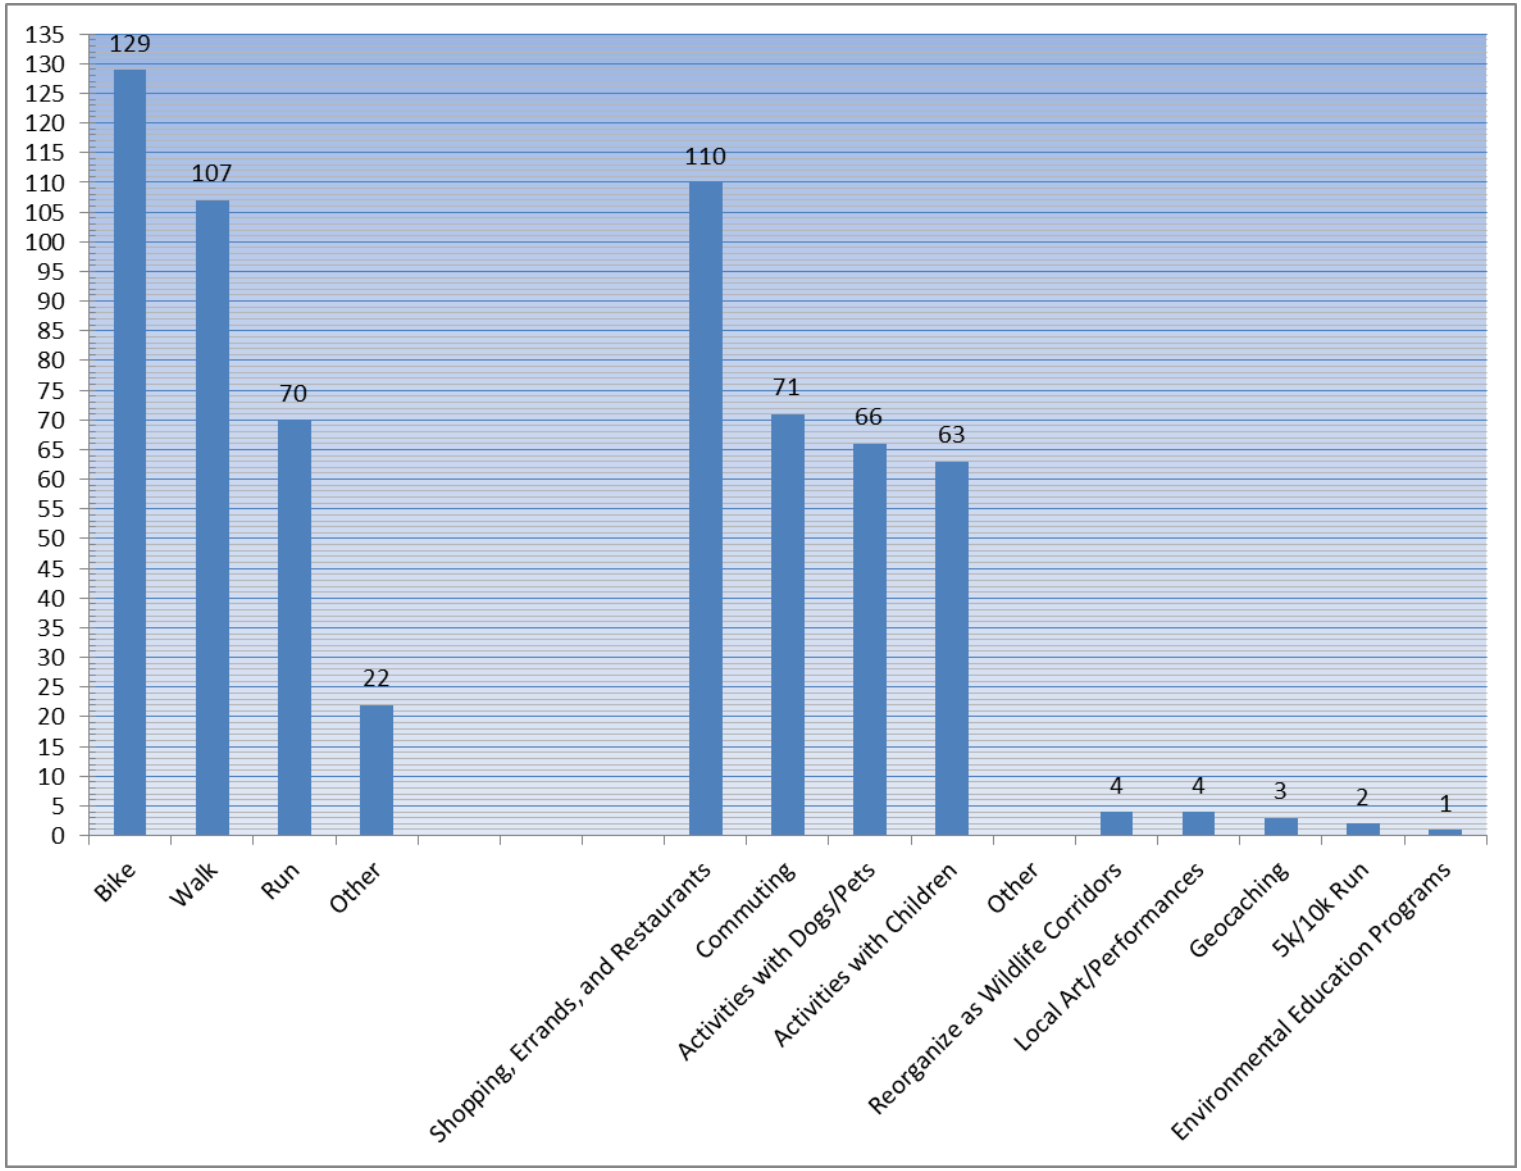
About 250 residents gathered to discuss the Cross Charlotte Trail….
this is what we heard!

We asked attendees: “How will you use the trail?”

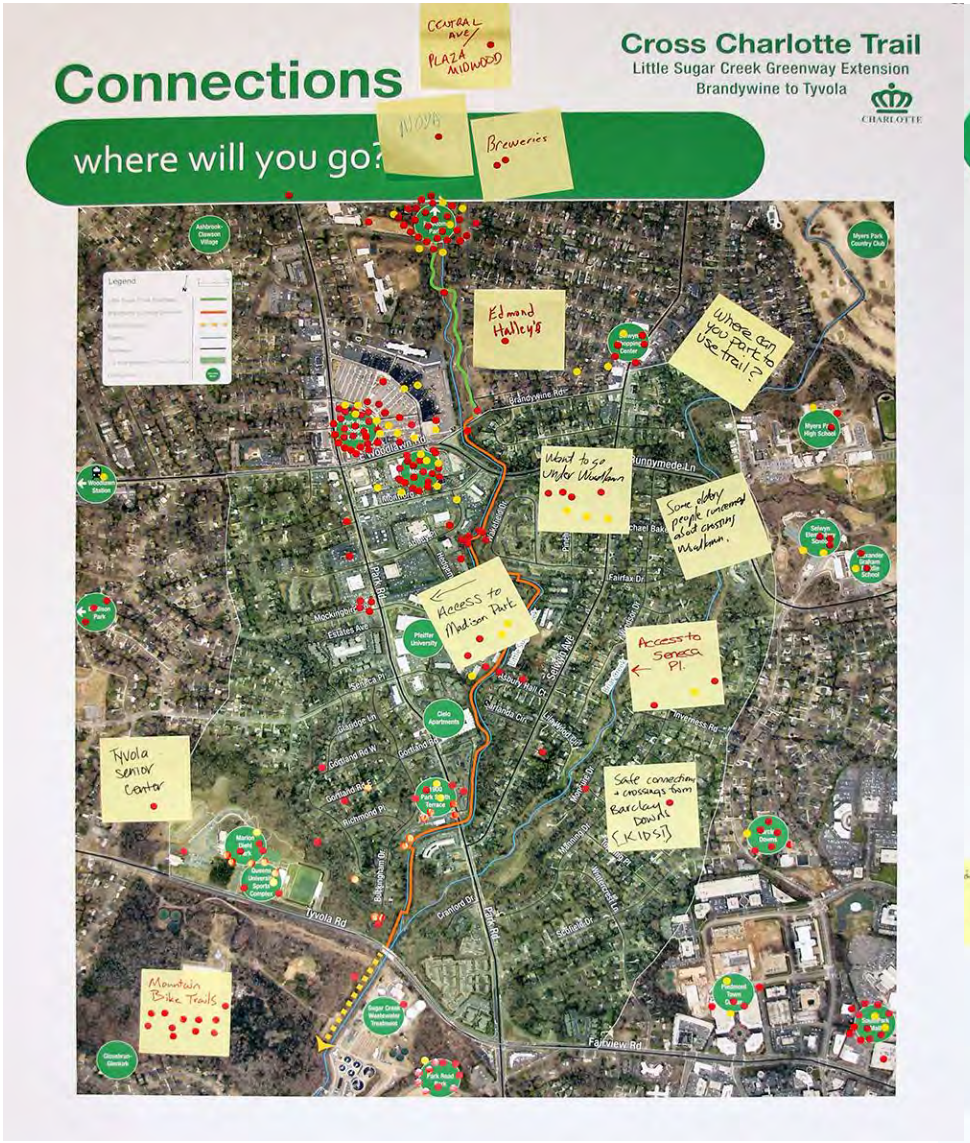


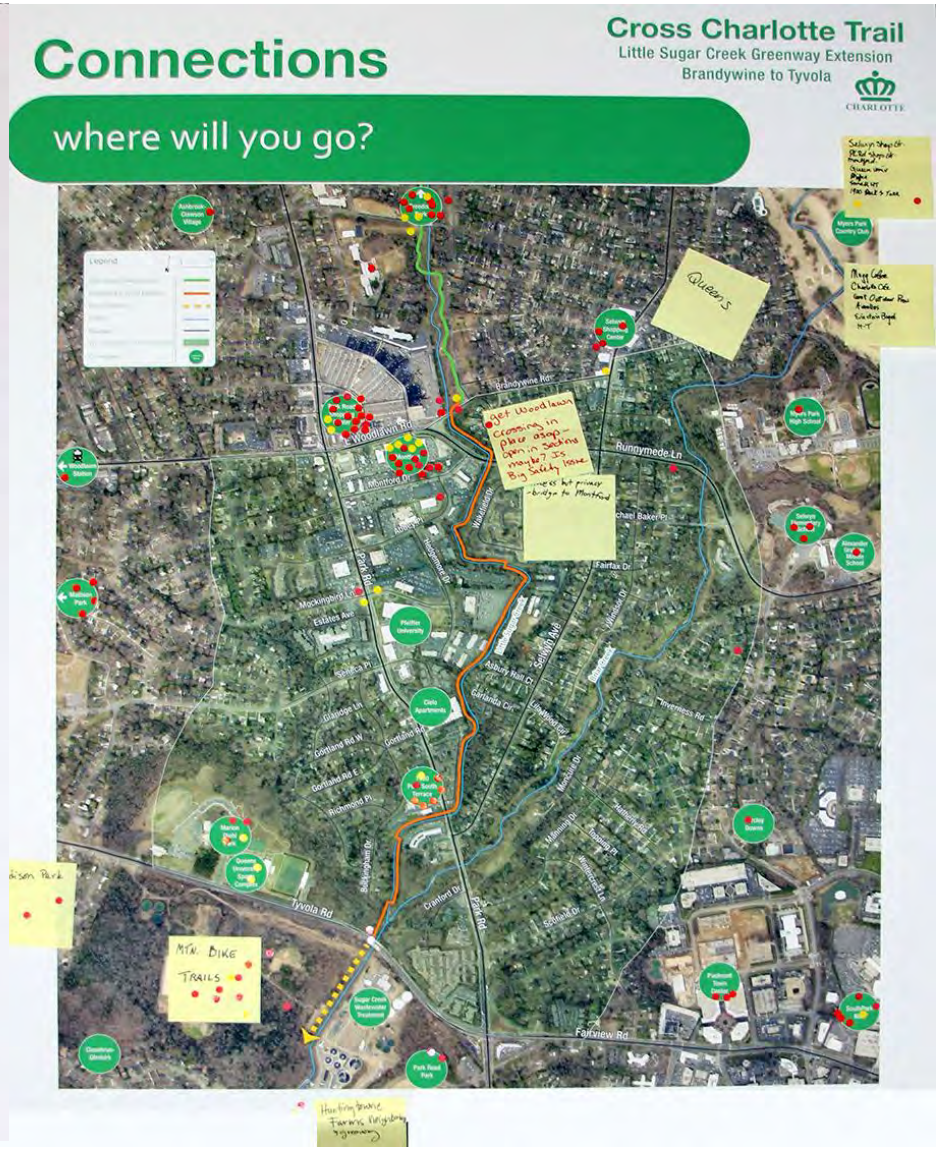
Dots and sticky notes were placed, telling us how the trail will be used

Adding up all the responses, the most popular options were biking, walking, and shopping, errands, and restaurants



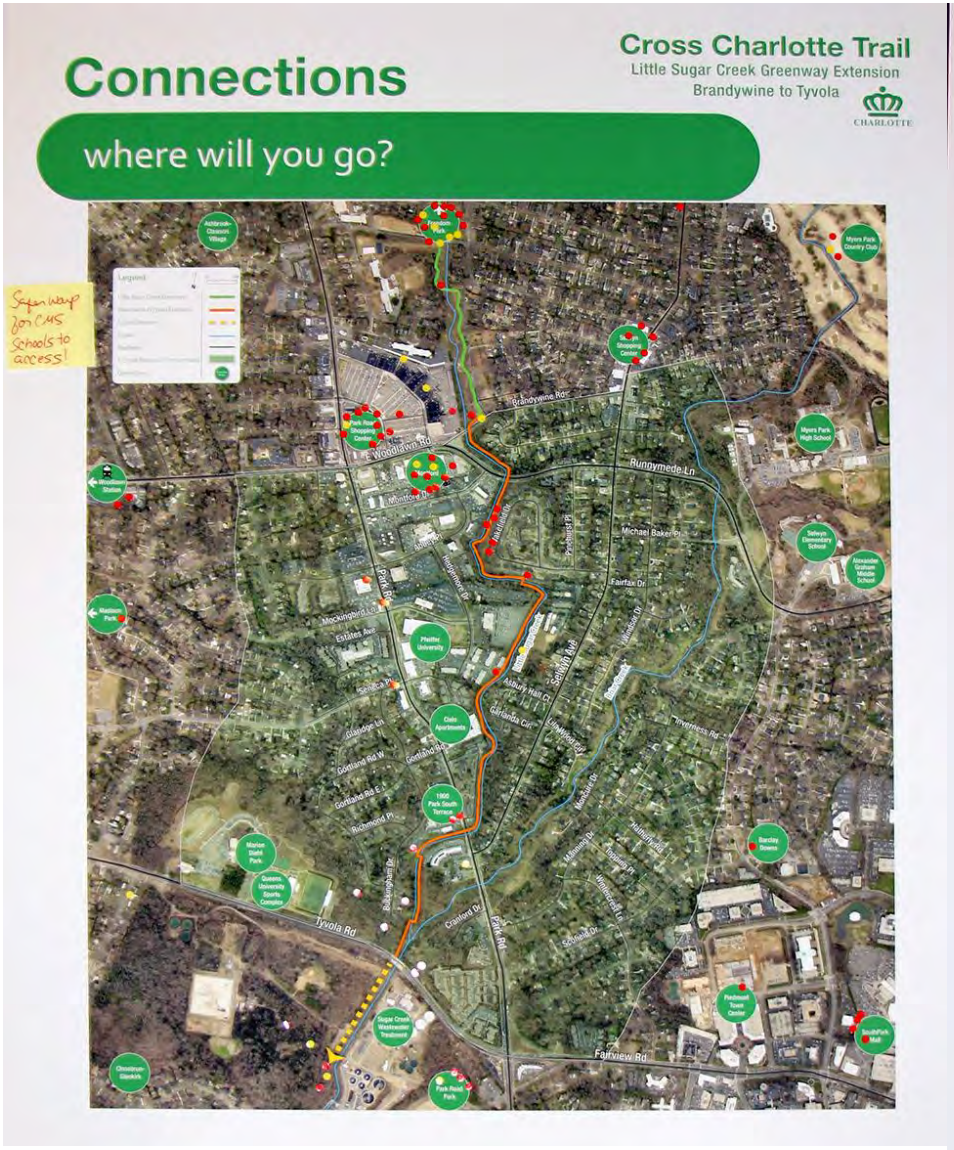
We then asked attendees: “Where will you go along the trail?”

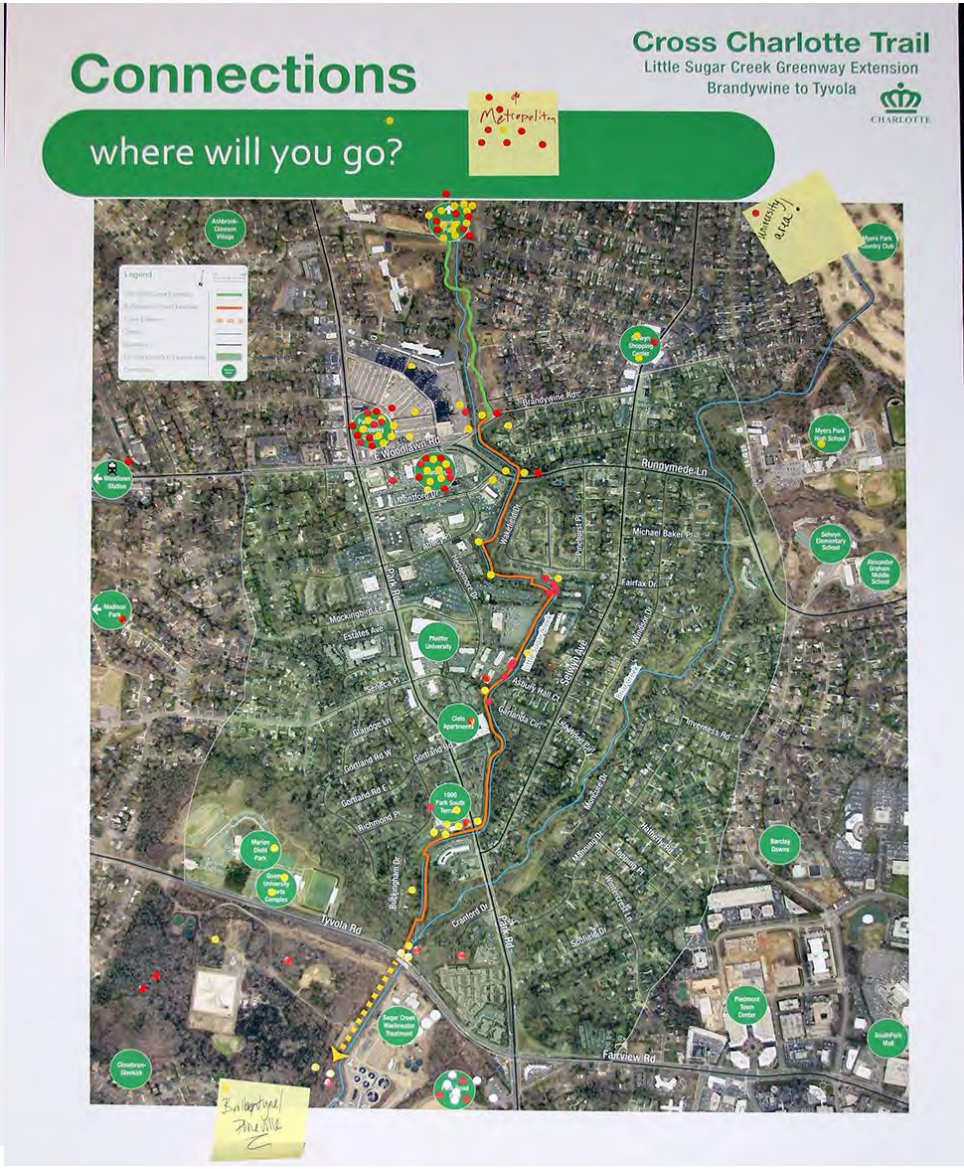




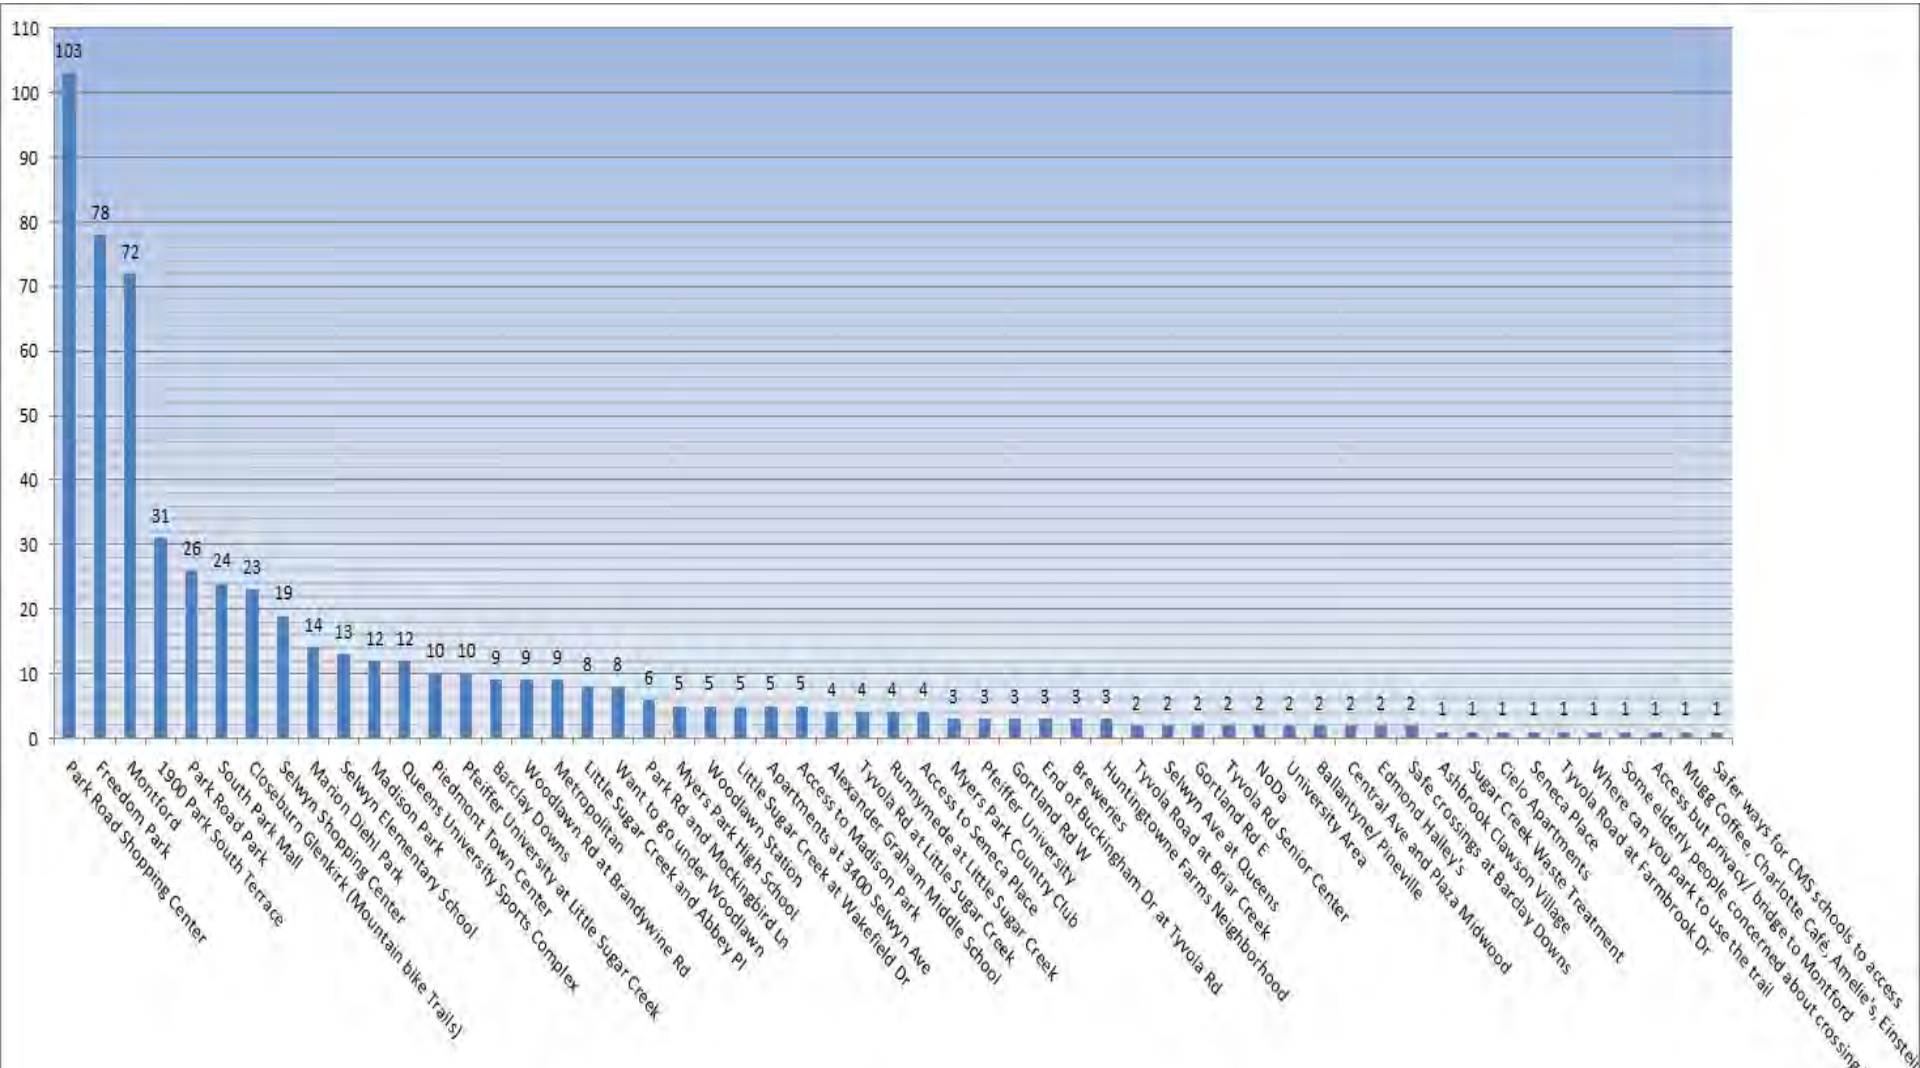
Dots were placed around popular destinations along the trail, and sticky notes told us about other places

Four “Connections” boards were provided to allow feedback on the many different trail destinations



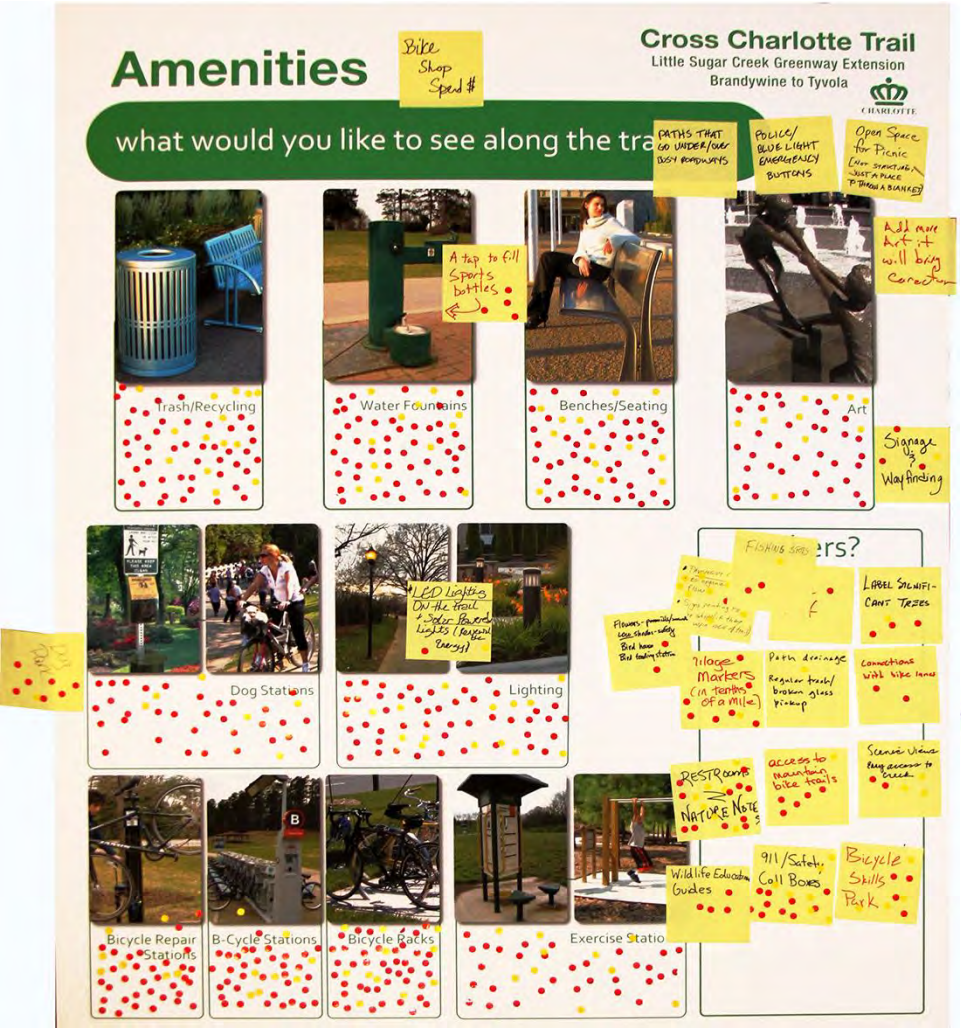


There are clearly many popular destinations along this segment of the Cross Charlotte Trail…

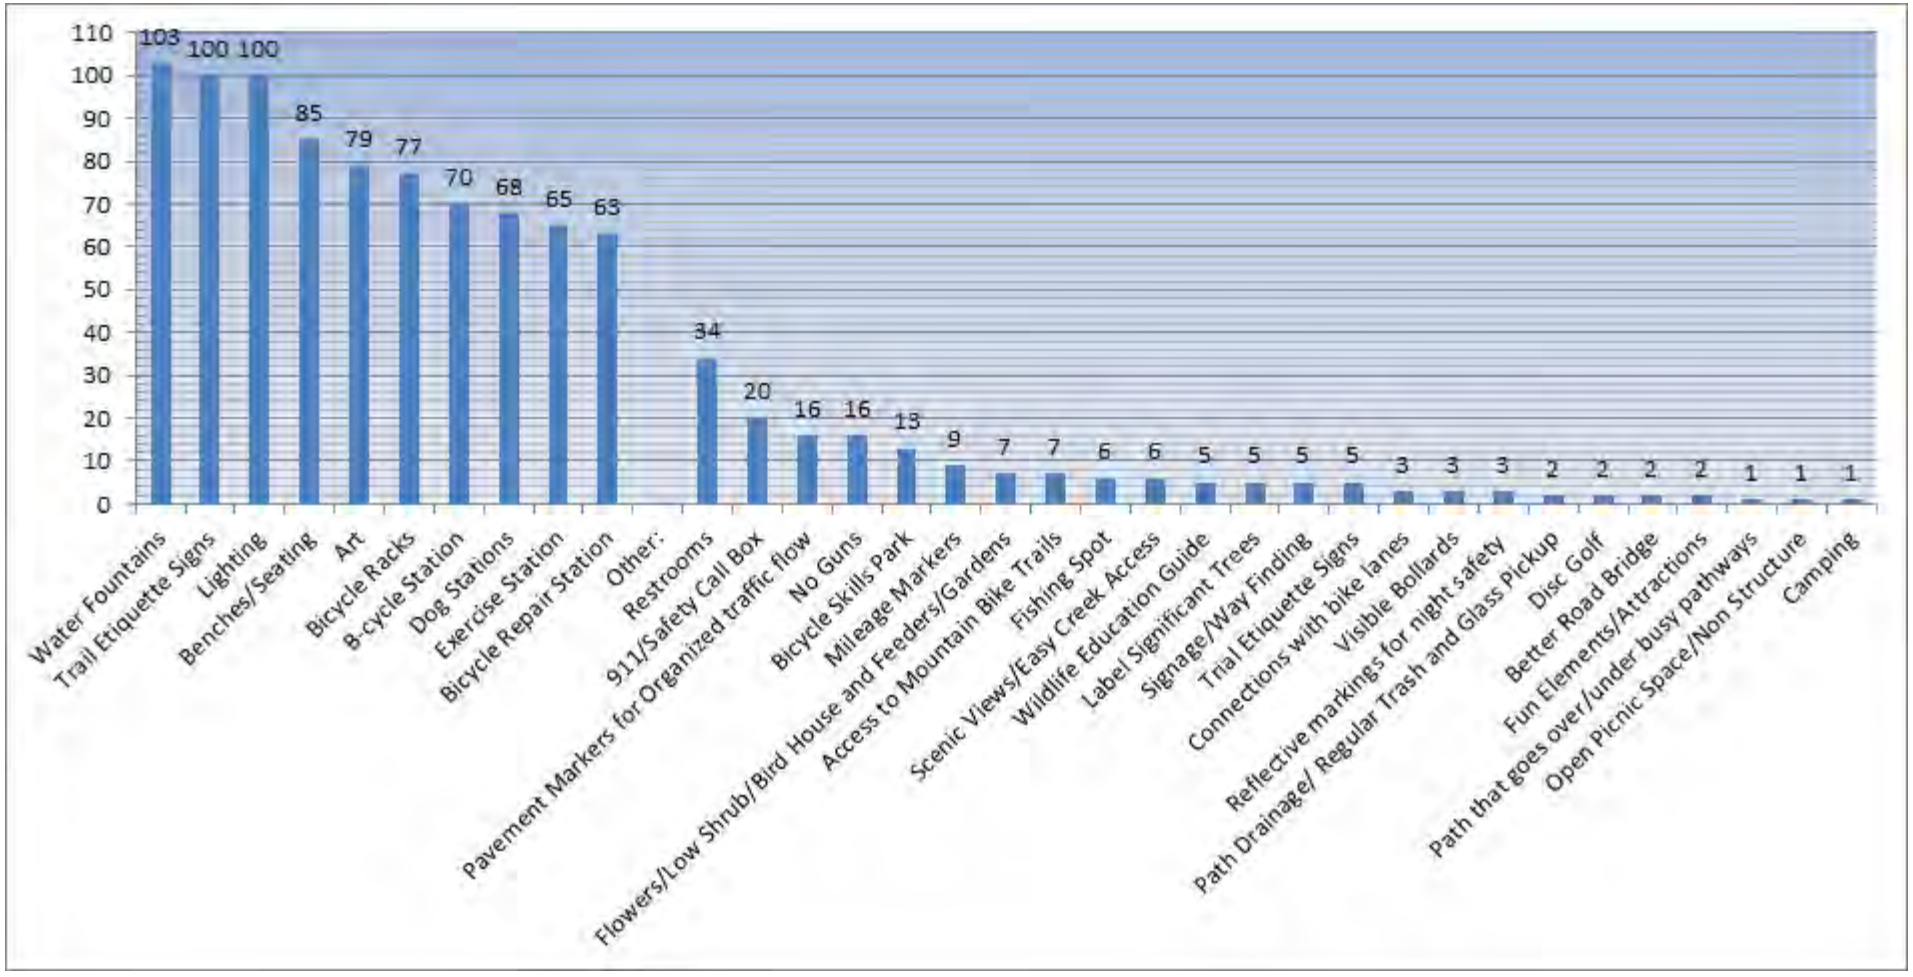


Park Road Shopping Center, Freedom Park, and Montford were the Top 3 choices

Finally, we asked “what would you like to see along the trail?”



Attendees had plenty of good ideas of what to include along the trail



The Top 3 desired Amenities were water fountains, trail etiquette signs, and lighting.
