

Public Meeting for the Gum Branch Outfall Replacement Project

November 29th 2016, 6:30pm to 8:00pm

Charlotte Water is designing a project to provide for future sewer needs in your area. The project includes the construction of approximately 10,000 linear feet of gravity sewer paralleling the Gum Branch stream and extending between Bellhaven Boulevard and I-485. The purpose of the public meeting is to share information on the project, discuss potential project impacts and receive comments.

CHARLOTTE WATER

5100 Brookshire Boulevard
Charlotte, NC 28216
