- 1:00PM - 7:30PM Open House
- 6:30PM Formal Presentation
- Thursday, December 11, 2014
- The Vine UMC Charlotte  
(formerly Kilgo United Methodist Church)
- 2101 Belvedere Avenue

# December 11, 2014

November 2014

Charlotte-Mecklenburg Storm Water Services is holding an open house and public meeting to present the existing conditions for the Beckwith/Meadow Storm Drainage Improvement Project. The open house information sharing is from 1PM to 7:30PM, with a formal presentation at 6:30PM.

The observations of residents are important to determine if the models of existing conditions are accurate. Please join us to find out more about this project and to talk about any issues or concerns you may have.

We are soliciting additional information related to drainage concerns in the project area. A link to an online questionnaire has been added to the project website or use the link below:
