

# Brentwood Place

storm drainage improvement project

YOUR STORM WATER FEES AT WORK

September 2013

Dear Resident,

City Council awarded Phase I of the Brentwood Place Storm Drainage Improvement Project to Ferebee Corporation on July 22. Construction is expected to begin this fall. Phase II was awarded to Zoladz Construction Co., Inc. on August 26. Construction is expected to begin this winter.

For more information about this project, please visit <http://stormwater.charmeck.org> and click on **Storm Water Projects** drop down menu in the green bar, then **Active Projects and Brentwood**.

If you have any questions about this project, please contact Project Manager Tom Purvis at 704-336-3660 or [tpurvis@charlottenc.gov](mailto:tpurvis@charlottenc.gov).

When you clean your car, don't forget this detail:

Soap will clean your car, but it won't clean our streams.

Don't wash your car on your driveway or in the street. Soap suds flow to the nearest storm drain, then directly into the nearest creek. That could kill fish and other aquatic life.

Instead, park your car on your lawn to wash it. Or, better yet, take your car to a professional car wash where the water is cleaned. You'll have a clean car and all of us will have clean streams.

For more information visit [stormwater.charmeck.org](http://stormwater.charmeck.org)
