

# Cedars East

storm drainage improvement project

YOUR STORM WATER FEES AT WORK

July 2014

Dear Resident:

Charlotte-Mecklenburg Storm Water Services and engineering consultant, STV/Ralph Whitehead Associates, are designing the improvements for the Cedars East Storm Drainage Improvement Project. The project area is located between the Arcadian Village Apartments (formerly Idlewild Apartments) at the intersection of Idlewild Drive and Cedars East Court, just east of Independence Boulevard and the culvert under Amity Place.

STV has submitted preliminary design plans for review by the City. STV is currently addressing review comments from the City. Once comments are

addressed and plans are ready to be shared a public meeting will be scheduled to discuss the proposed design and receive any feedback.

For more information about this project, please visit our website at [stormwater.charmeck.org](http://stormwater.charmeck.org) and click on **Storm Water Projects** dropdown menu in the green bar, then Active Projects and **Cedars East**.

If you have any questions, please contact Project Manager Matthew Anderson at 704-336-7923 or [manderson@charlottenc.gov](mailto:manderson@charlottenc.gov).

## HURRICANE SEASON

JUNE 1 - NOVEMBER 30, 2014

### 2014 forecast:

- 11 named tropical storms
- 3 hurricanes

75% of Charlotte's flooding happens during the months of hurricane season. Whether it's heavy rain from a named storm or an unexpected cloudburst, Charlotte's flood chances increase dramatically in the summer.

Get flood safety information at [StormWater.CharMeck.org](http://StormWater.CharMeck.org)
