

# Chandworth

storm drainage improvement project

your storm water fees at work

February 2014

Dear Resident:

Charlotte-Mecklenburg Storm Water Services and consultant engineer, Dewberry Engineers, are moving into the design phase of the Chandworth Storm Drainage Improvement Project. Dewberry Engineers will spend a considerable amount of time and effort developing and preparing the preliminary design plans. The project goal is to reduce street and structure flooding by improving the storm drainage infrastructure.

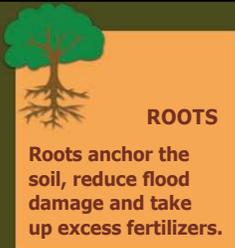

For more information about this project, please visit our website <http://stormwater.charmeck.org> and click on **Storm Water Projects** drop down menu in the green bar, then **Active Projects and Sunnyvale**.

If you have any questions, please contact Project Manager Jackie Bray at [jbray@charlottenc.gov](mailto:jbray@charlottenc.gov) or 704-336-6770.

## Shade Your Stream

Property along creeks and lakes should be planted with native trees and shrubs.

For more information about stream buffers, visit <http://stormwater.charmeck.org>
