storm drainage improvement project

your storm water fees at work

June 2014

Dear Resident:

Charlotte-Mecklenburg Storm Water Services is reviewing the design plans submitted by consultant Dewberry Engineers. In the coming months, the project team will begin coordinating with the various utility companies and other stakeholders to resolve potential conflicts and address concerns.

For more information about this project, please visit our website stormwater.charmeck.org and click on **Storm Water Projects** drop down menu in the green bar, then **Active Projects and Sunnyvale**.

If you have any questions, please contact Project Manager Jackie Bray at jbray@charlottenc.gov or 704-336-6770.
