storm drainage improvement project

YOUR STORM WATER FEES AT WORK

Dear Resident,

Charlotte-Mecklenburg Storm Water Services and consulting engineer, Kimley Horn and Associates, continue to work on the existing conditions analysis and study of the Chatham Storm Drainage Improvement Project.

The existing conditions study has been resubmitted and comments are being addressed. Once finalized, results of the report and study will be shared with the neighborhood for feedback.

For more information about this project, please visit our website at stormwater.charmeck.org and click on **Storm Water Projects** drop down menu in the green bar, then **Active Projects and Chatham**.

If you have any questions, please contact Project Manager Matthew Anderson at 704-336-7923 or manderson@charlottenc.gov.

The Water Watchers app makes it easier than ever for citizens to report pollution on the go

For more information visit StormWater.CharMeck.org

The advertisement features a smartphone displaying the "Water Watchers" app interface. The app screen shows the Charlotte-Mecklenburg Storm Water Services logo and several menu options: "Report Water Pollution", "Submit Stream Clean-up Report", "Submit Monitoring Report", "Facebook", and "Weather". The background of the ad is a collage of images related to water pollution, including a pipe discharging water and a polluted stream.
