

# Cherokee/Scotland

storm drainage improvement project

your storm water fees at work

October 2010

Dear Resident:

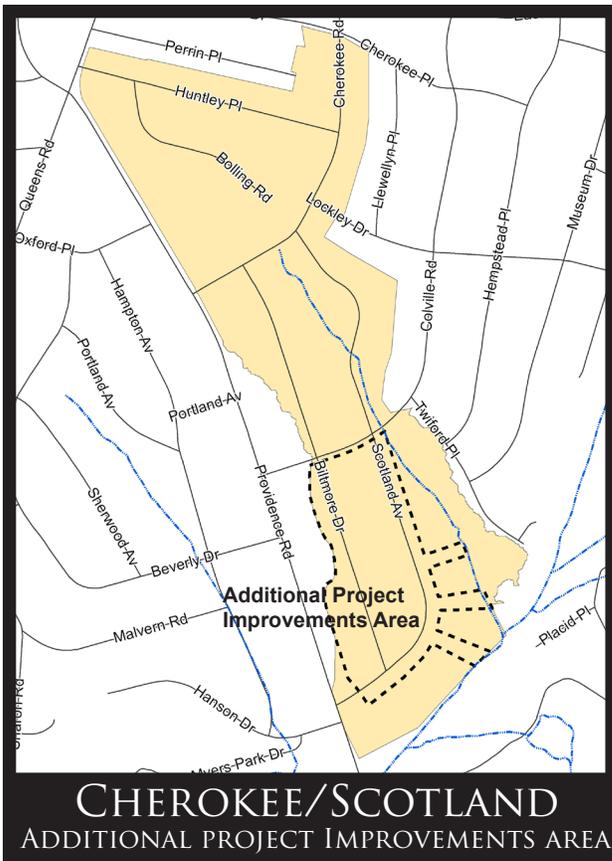

Charlotte-Mecklenburg Storm Water Services, along with consulting engineers, Dewberry & Davis, Inc., continue to work in the design phase of the Cherokee/Scotland Storm Drainage Improvement Project.

The next public meeting to present the 70% design plans will be held in the next three months. A separate notice with the details of the meeting will be sent at least two weeks in advance of the meeting date. Affected properties will also receive additional project information near this time.

Please contact the project manager if you would like to discuss any flooding issues and/or concerns.

You may also view project updates and exhibits on the web at: <http://stormwater.charmeck.org> (Click on **Storm Water Projects, Storm Water Projects** again and then **Cherokee/Scotland**).

If you have any questions, please contact Project Manager, Troy Eisenberger at 704-336-4835 [teisenberger@charlottenc.gov](mailto:teisenberger@charlottenc.gov).
