

# Edgewater/Rosecrest

storm drainage improvement project

your storm water fees at work

Dear Resident,

Charlotte-Mecklenburg Storm Water Services held a second public meeting for the Edgewater/Rosecrest Storm Drainage Improvement Project on July 8, 2014 at the St. Andrew's United Methodist Church. The project goals are to update existing infrastructure, reduce flooding in structures and streets, increase channel stability and reduce erosion.

explained (Planning, Design, Real Estate, Bid and Construction).

- USInfrastructure of Carolina, engineering consultant, explained the proposed stormwater improvements.
- A question/answer session was held.
