

Gaynor

storm drainage improvement project

YOUR STORM WATER FEES AT WORK

January 2015

Dear Resident,

Charlotte-Mecklenburg Storm Water Services and consulting engineer, Armstrong Glen, continue with the bid phase of the Gaynor Storm Drainage Improvement Project.

During this phase, the final plans are circulated to qualified contractors for a competitive bidding process. By state law, the lowest responsible bidder is awarded the construction contract. The bid phase typically lasts six months.

The project is on schedule to start construction by fall 2015.

For more information about this project, please visit our website stormwater.charmeck.org and click on **Storm Water Projects, Active Projects**, then **Gaynor**.

If you have any questions about this project, please contact Project Manager Jackie Bray at 704-336-6770 or jbray@charlottenc.gov.
