

Gaynor

storm drainage improvement project

YOUR STORM WATER FEES AT WORK

May 23, 2012

Dear Resident,

Charlotte-Mecklenburg Storm Water Services held its third and final public meeting on May 1, 2012, at Trinity Presbyterian Church for the Gaynor Storm Drainage Improvement Project. The goals of this project are to reduce flooding of streets and structures, as well as reduce erosion along the stream and channel.

Meeting highlights:

- Project Manager Corky Botkin welcomed the attendees, introduced the project team and explained the purpose and phases.
- Corky Botkin introduced Steve Frey, City of Charlotte Real Estate Project Manager and the agents who will work with residents to acquire easements needed to construct and maintain the proposed improvements. The City asks for easements to be donated in exchange

for the improvements and to help control project costs.

- A question and answer session was held.
- Property owners and staff reviewed the project plans and discussed existing storm water issues, proposed improvements and easements required from property owners to construct the improvements.

For more information about this project or detailed meeting minutes, please visit our website <http://stormwater.charmeck.org> and click on **Storm Water Projects, Active Projects**, then **Gaynor**.

If you have any questions about this project, please contact the Project Manager, Corky Botkin at 704-432-5536 or email cbotkin@charlottenc.gov.
