September 2015

Charlotte-Mecklenburg STORM WATER Services

Charlotte-Mecklenburg Storm Water Services and Sealand Contractors Corporation continue with the construction phase.

Storm drain, sanitary sewer and water lines have been completed on Linda Lane, Queen Charlotte's Court and Whitby Lane. Sealand will begin repaving with asphalt on Linda Lane, Queen Charlotte's Court and Whitby Lane in the next couple months. We are in the process of finishing storm drain, water and sewer lines on Merwick Circle and Barwick Road. These roadways will also be repaved with asphalt soon.

Clearing, water main and sanitary sewer work has started on Hunter and Chillingworth Lanes. The 18' X 7' culvert placement has started on Hunter Lane and will be installed next week.

Temporary construction traffic signage will direct motorists around the construction work zones. Please follow the detour signs and be alert for workers in the construction zone.
