

Greenhaven/Pierson

storm drainage improvement project

YOUR STORM WATER FEES AT WORK

June 2012

Dear Resident,

Charlotte-Mecklenburg Storm Water Services has hired consultant PB Americas to study possible storm drainage improvements in the Greenhaven/Pierson Drive project area. The project area boundaries are Pierson Drive to the north and east, Albemarle to the south, and Independence Blvd to the west.

Representatives from the Project Team may need to enter your property to collect survey data on the existing storm drainage system. While State law authorizes access to private property for this purpose, no buildings or structures will be entered or disturbed.

The survey work is scheduled to begin in July and will take several months to complete.

For more information about this project, please visit our website at <http://stormwater.charmeck.org> and click on **Storm Water Projects** drop down menu in the green bar, then **Active Projects and Greenhaven/Pierson**.

If you have any questions, please contact Project Manager Harold Smith at hsmith@charlottenc.gov or 704-432-5532.
