storm drainage improvement project

your storm water fees at work

March 10, 2015

Dear Resident:

Charlotte-Mecklenburg Storm Water Services held its third public meeting on February 17 at Eastern Hills Baptist Church to kick off the easement acquisition phase for the **Greenhaven Storm Drainage Improvement Project**.

Only three property owners attended the meeting. Therefore, no formal presentation was made, but instead the project team individually discussed the project plan and impacts to the individual property owners.

For more information or to see the construction plans and exhibits, please visit our website:
