

Hampton Avenue

storm drainage improvement project

your storm water fees at work

Dear Resident:

The Project Team for the Hampton Avenue Storm Drainage Improvement Project will be changing over the next several months. As a result, the previously submitted preliminary design plans will need a more thorough review. When this is complete, a public meeting will be held to present the preliminary design plans for feedback and to initiate the easement acquisition phase. A mailer will be sent to residents regarding the time and place of this meeting.

For more information, please visit our website: stormwater.charmeck.org. Click on the **Storm Water Projects** drop down menu in the green bar, then **Active Projects** and **Hampton Avenue**.

If you have any questions, please contact Project Manager Danée McGee at 704-336-4102 or dmcgee@charlottenc.gov.

**Water Pollution...
Be part of the solution!**

The Water Watchers app makes it easier than ever for citizens to report pollution on the go

For more information visit StormWater.CharMeck.org

The advertisement features a smartphone displaying the "Water Watchers" app interface. The app screen shows the Charlotte-Mecklenburg Storm Water Services logo and several menu options: "Report Water Pollution", "Submit Stream Clean-up Report", "Submit Monitoring Report", "Facebook", and "Weather". At the bottom of the app screen are icons for "Main", "Report Issue", "My Reports", and "Contact Us". The background of the ad shows a close-up of a storm drain pipe with water flowing into it, and a satellite map overlay.
