

Hampton Avenue

storm drainage improvement project

your storm water fees at work

November 9, 2012

Dear Resident:

Charlotte-Mecklenburg Storm Water Services held a public meeting on October 11 at Christ Episcopal Church to present the design alternative for the Hampton Avenue Storm Drainage Improvement Project.

Meeting highlights:

- Project Manager Danee McGee discussed the project process and team responsibilities.
- Cliff Nelson, Project Manager for our design consultant Baker Engineering, provided information on existing condition problems, the design criteria and the preferred alternative benefits.

- Residents broke into smaller groups to review detailed boards showing the preferred alternative and its potential impacts on their properties.

For more information or detailed meeting minutes, visit our website: <http://stormwater.charmeck.org>. Click on the **Storm Water Projects** drop down menu in the green bar, then **Active Projects** and **Hampton Avenue**.

If you have any questions, please contact Project Manager Danee McGee at dmcgee@charlottenc.gov or 704-336-4102.

CHARLOTTE.
