

Hill Street

storm drainage improvement project

your storm water fees at work

December 2014

Dear Resident:

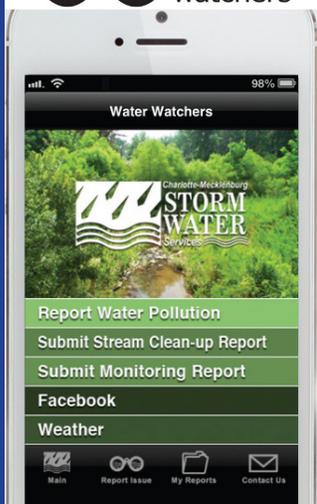

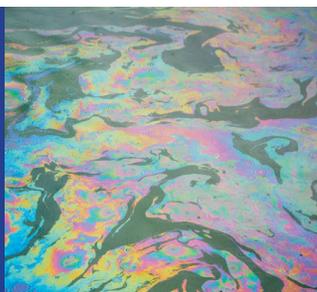

Charlotte-Mecklenburg Storm Water Services is working with Dewberry Engineering to complete the planning report. The recommended alternative will be presented at a public meeting with an open discussion regarding the impacts. Invitations will be mailed to residents approximately two weeks prior to the meeting. Please plan to attend. Your input is important to the project team.

For more information about this project, visit our website: stormwater.charmeck.org. Click on the **Storm Water Projects** drop down menu in the green bar, then **Active Projects** and **Hill Street**.

If you have any questions, please contact Project Manager Danée McGee at 704-336-4102 or dmcgee@charlottenc.gov.
