

# Kenilworth/Romany

storm drainage improvement project

your storm water fees at work

Charlotte-Mecklenburg Storm Water Services and engineering consultant, Armstrong Glen, P.C., continue with the real estate phase. We are in the process of acquiring easements needed for the city to have construction access to build the improvements. Property owners will be contacted if an easement is needed on your property. Staff is also coordinating with all the utility companies in the area to avoid potential conflicts.

For more information, please visit our website [stormwater.charmeck.org](http://stormwater.charmeck.org) and click on **Storm Water Projects** drop down menu in the green bar, then **Active Projects** and **Kenilworth/Romany**.

If you have any questions, please contact Project Manager Chad Nussman at 704-336-5676 or [cnussman@charlottenc.gov](mailto:cnussman@charlottenc.gov).
