

Louise Avenue

storm drainage improvement project

your storm water fees at work

April 2014

Dear Resident:

The bid phase plans are being finalized. At the end of this phase, competitive bids are taken from responsible contractors to perform the work. After City Council approval, the City awards the construction contract to the lowest responsible bidder. Bid phase typically takes six months and construction for this project is estimated to take two years.

For more information about this project, please visit our website at stormwater.charmeck.org and click on **Storm Water Projects** drop down menu in the green bar, then **Active Projects and Louise**.

If you have any questions, please contact Project Manager Danée McGee at dmcgee@charlottenc.gov or 704-336-4102.

**Water Pollution...
Be part of the solution!**

The Water Watchers app makes it easier than ever for citizens to report pollution on the go

For more information visit StormWater.CharMeck.org

The advertisement features a smartphone displaying the "Water Watchers" app interface. The app screen shows the Charlotte-Mecklenburg Storm Water Services logo and several menu options: "Report Water Pollution", "Submit Stream Clean-up Report", "Submit Monitoring Report", "Facebook", and "Weather". At the bottom of the app screen are icons for "Main", "Report Issue", "My Reports", and "Contact Us". The background of the advertisement shows a close-up of a pipe discharging water into a stream.
