

# Louise Avenue

storm drainage improvement project

your storm water fees at work

December 2014

Dear Resident:

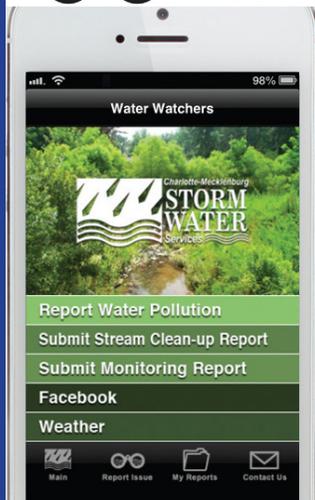

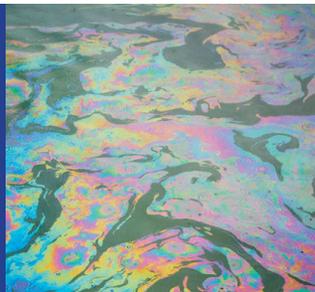

Charlotte Mecklenburg Storm Water Services and consultant US Infrastructure are completing final construction drawings. The bid phase is next, during which competitive bids are taken from contractors to perform the work. After City Council approval, the construction contract is awarded to the lowest responsible bidder. Bid phase typically takes six months, with construction for this project estimated to take two years. Construction will start at the downstream end of the project at Hawthorne Lane and CSXT Railroad.

For more information about this project, please visit our website at [stormwater.charmeck.org](http://stormwater.charmeck.org) and click on **Storm Water Projects** drop down menu in the green bar, then **Active Projects and Louise**.

If you have any questions, please contact Project Manager Danée McGee at [dmcgee@charlottenc.gov](mailto:dmcgee@charlottenc.gov) or 704-336-4102.
