

Louise Avenue storm drainage improvement project

your storm water fees at work

September 2009

Dear Resident:

Charlotte-Mecklenburg Storm Water Services has hired a consultant, US Infrastructure of Carolina, Inc. (USI), to study and investigate possible improvements to the storm drainage system in the Louise project area.

This notifies you representatives from USI or their surveyor Meade-Gunnell, may need to enter your property to collect additional survey data on the existing storm drainage system. While State law authorizes access to private property for this purpose, no buildings or structures will be entered or disturbed. The survey work is scheduled to begin over the next couple of weeks.

As a property owner, if you would like to provide input regarding the project, please feel free to fill out a survey form on the project webpage. Your input is appreciated.

For more information about this project and schedule, please visit our website at <http://stormwater.charmeck.org> and click on **Storm Water Projects, Storm Water Projects** again, then **Louise**.

If you have any questions, please contact the Project Manager, Danée McGee at dmcgee@charlottenc.gov or 704-336-4102.
