

Lyon Court

storm drainage improvement project

your storm water fees at work

Dear Resident:

Charlotte-Mecklenburg Storm Water Services and engineering consultant, US Infrastructure of Carolina, Inc., are in the final steps of the real estate phase and completing the construction plans.

The next step will be the bid phase. During this phase, competitive bids are taken from responsible contractors to perform the work. After City Council approval, the City awards the construction contract to the lowest responsible bidder.

For more information, please visit our website: stormwater.charmeck.org. Click on the **Storm Water Projects** drop down menu in the green bar, then **Active Projects** and **Lyon Court**.

If you have any questions, please contact Project Manager William Harris at 704-353-1147 or wtharris@charlottenc.gov.
