

McAlway/Churchill

storm drainage improvement project

YOUR STORM WATER FEES AT WORK

March 2014

Dear Resident,

Charlotte-Mecklenburg Storm Water Services and engineering consultant, Parsons Brinckerhoff, Inc., continue with the real estate phase of the McAlway/Churchill Storm Drainage Improvement Project.

of the remaining steps include submitting the encroachment agreement, securing the related environmental permits and then proceeding to the bid phase.

Project updates include:

- Charlotte Real Estate staff and their consultant, Telics, continue to work with property owners to acquire the easements needed to construct the selected improvements.
- Parsons Brinckerhoff continues to work with the utility providers to resolve potential conflicts and work towards final construction plans. A few

**Water Pollution...
Be part of the solution!**

The Water Watchers app makes it easier than ever for citizens to report pollution on the go

For more information visit StormWater.CharMeck.org

The advertisement features a smartphone displaying the "Water Watchers" app interface. The app screen shows the Charlotte-Mecklenburg Storm Water Services logo and several menu options: "Report Water Pollution", "Submit Stream Clean-up Report", "Submit Monitoring Report", "Facebook", and "Weather". At the bottom of the app screen, there are icons for "Main", "Report Issue", "My Reports", and "Contact Us". The background of the advertisement is a collage of images related to water pollution, including a close-up of a pipe, a polluted stream, and a person's face.
