

# McAlway/Churchill

storm drainage improvement project

YOUR STORM WATER FEES AT WORK

November 2013

Dear Resident,

Charlotte-Mecklenburg Storm Water Services and engineering consultant, Parsons Brinckerhoff, Inc., continue with the real estate phase of the McAlway/Churchill Storm Drainage Improvement Project.

Project update includes:

- Charlotte Real Estate staff and their consultant, Telics, continue to work with property owners to acquire the easements needed to construct the selected improvements.
- Parsons Brinckerhoff continues to work with the utility providers to resolve potential conflicts. A few of the remaining steps include finalizing the

easements and plans, submitting the encroachment agreement and securing the related environmental permits.

For more information, please visit our website <http://stormwater.charmeck.org> and click on **Storm Water Projects** drop down menu in the green bar, then **Active Projects and McAlway/Churchill**.

If you have any questions, please contact Project Manager William Harris at [wtharris@charlottenc.gov](mailto:wtharris@charlottenc.gov) or 704-353-1147.

## Shade Your Stream

Property along creeks and lakes should be planted with native trees and shrubs.

For more information about stream buffers, visit <http://stormwater.charmeck.org>
