

McAlway/Churchill

storm drainage improvement project

YOUR STORM WATER FEES AT WORK

November 2014

Dear Resident,

Charlotte-Mecklenburg Storm Water Services and engineering consultant, Parsons Brinckerhoff, Inc., are in the final steps of the real estate phase and completing the construction plans.

Project updates include:

- Charlotte Real Estate staff and their consultant, Telics, continue to work with property owners to complete the easement agreements needed to construct the selected improvements.
- Parsons Brinckerhoff continues to work on the NCDOT encroachment agreement, securing the related environmental permits and finalizing the

construction plans. The next step will be the start of the bid phase, then construction contract award by City Council.

For more information, please visit our website stormwater.charmeck.org and click on **Storm Water Projects** drop down menu in the green bar, then **Active Projects and McAlway/Churchill**.

If you have any questions, please contact Project Manager William Harris at wtharris@charlottenc.gov or 704-353-1147.
