

# Meadowridge

storm drainage improvement project

YOUR STORM WATER FEES AT WORK

Dear Resident:

Charlotte-Mecklenburg Storm Water Services, along with consulting engineer, WK Dickson & Co., Inc., (WK Dickson) continue to work on the Meadowridge Storm Drainage Improvement Project.

Project updates include:

- City Real Estate staff and their consultant, THC, Inc., are in the final stages of acquiring required construction easements.
- WK Dickson continues to work with utility providers to resolve potential conflicts and work towards final construction plans.
- Once all easements are acquired, WK Dickson

will work on securing all related environmental permits and then proceed to produce final design plans.

For more information about this project, please visit our website at [stormwater.charmeck.org](http://stormwater.charmeck.org) and click on **Storm Water Projects** dropdown menu in the green bar, then **Active Projects** and **Meadowridge**.

If you have any questions, please contact Project Manager Adrian Cardenas at 704-336-4682 or [acardenas@charlottenc.gov](mailto:acardenas@charlottenc.gov).
