

Meadowridge

storm drainage improvement project

YOUR STORM WATER FEES AT WORK

Dear Resident:

Charlotte-Mecklenburg Storm Water Services, along with consulting engineer, WK Dickson & Co., Inc., continue to work on the Meadowridge Storm Drainage Improvement Project. Easement acquisition is complete, the final design plans are under review, and we are working on obtaining the required water quality permits from Federal and State government agencies.

is awarded to the lowest responsible bidder. Bid phase typically takes six months.

For more information about this project, please visit our website at stormwater.charmeck.org and click on **Storm Water**

Projects dropdown menu in the green bar, then **Active Projects** and **Meadowridge**.

The project is expected to start bid phase in the next few months, during which competitive bids are taken from responsible contractors to perform the work. After City Council approval, the construction contract

If you have any questions, please contact Project Manager Adrian Cardenas at 704-336-4682 or acardenas@charlottenc.gov.
