Dear Resident,

As construction continues along Oriole Street, there are a few key dates that we would like to inform you about. Construction operations will commence in front of resident driveways beginning Monday, July 13<sup>th</sup>. We will be closing one lane of traffic along Oriole Street in phases during the hours of 7am to 7pm, Monday through Friday. In addition, there will be a flagger to direct traffic. During these hours certain driveways may be inaccessible due to the work being performed. We will be starting construction on the right side of Oriole Street facing Lexington Avenue and finishing on the left side of Oriole Street facing Lexington Avenue. The owners will be notified in advance of when driveways will be closed off. Below is an approximate schedule of work in front of each address that may hinder access to the driveways.

July 13 through July 22 – 1024 Oriole Street

July 20 through July 31 – 1028 Oriole Street, 1032 Oriole Street, 1036 Oriole Street,  
829 Lexington Avenue

August 3 through August 17 – 1023 Oriole Street, 1027 Oriole Street, 1031 Oriole Street

August 12 through August 26 – 1035 Oriole Street, 901 Lexington Avenue

We are sorry for any inconvenience this may cause, but we appreciate your understanding as we work to complete this project as efficiently as possible.

Thank you,  
Sanders Utility Construction Co., Inc.
