

UNDER CONSTRUCTION

PARKWOOD PHASE I
STORM DRAINAGE IMPROVEMENT PROJECT

Contractor installs double box culvert at North Caldwell Street.

Dear Resident:

Construction continues for Charlotte-Mecklenburg Storm Water Services' Parkwood Phase 1 Storm Drainage Improvement Project. Sealand Contractors Corporation has completed installation of the culverts under Caldwell Street between Parkwood Avenue and 15th Street. Davidson Street is currently closed for installation of new culverts between Belmont Avenue and 15th Street. Future work will include replacement of culverts under Parkwood Avenue between Belmont Avenue and 16th Street, culverts under Brevard Street between Belmont and Parkwood Avenues, and new storm drainage pipes along 12th Street between Brevard and College Streets.

For more information about this project, please visit our website stormwater.charmeck.org and click on **Storm Water Projects, Active Projects** and **Parkwood Phase I**.

If you have any questions, please contact one of the project members:

On-site Construction Inspector:

Adam Clapp: 704-634-5062
Email: aclapp@charlottenc.gov

Construction Supervisor:

Cody Smith: 704-564-7028
Email: pcsmith@charlottenc.gov

Project Manager:

Brant Smiley: 704-432-2147
Email: bsmiley@charlottenc.gov

A construction inspector will be on site daily to address any questions or concerns. Please note efforts are taken to minimize disruption.
