

# Parkwood Phase 2

storm drainage improvement project

YOUR STORM WATER FEES AT WORK

Dear Resident:

Charlotte-Mecklenburg Storm Water Services and engineering consultant, W. K. Dickson, continue with the planning phase of the Parkwood Phase 2 Storm Drainage Improvement Project. The project boundaries are N. Graham Street to the northwest, I-277/Brookshire Freeway to the southwest, railroad tracks to the southeast and Sylvania Avenue to the northeast.

Representatives from the Project Team will be collecting survey data to develop and evaluate several improvement alternatives to improve the drainage system in the project area.

For more information, please visit our website at [stormwater.charmeck.org](http://stormwater.charmeck.org) and click on **Storm Water Projects** dropdown menu in the green bar, then Active Projects and **Parkwood Phase 2**.

If you have any questions about this project, please contact Project Manager Brant Smiley at 704-432-2147 or [bsmiley@charlottenc.gov](mailto:bsmiley@charlottenc.gov).

July 2014

## HURRICANE SEASON

JUNE 1 - NOVEMBER 30, 2014

### 2014 forecast:

- 11 named tropical storms
- 3 hurricanes

75% of Charlotte's flooding happens during the months of hurricane season. Whether it's heavy rain from a named storm or an unexpected cloudburst, Charlotte's flood chances increase dramatically in the summer.

Get flood safety information at [StormWater.CharMeck.org](http://StormWater.CharMeck.org)
