

Peterson Drive

storm drainage improvement project

YOUR STORM WATER FEES AT WORK

August 2014

Dear Resident,

Gulf Coast Property agents are finalizing the easements needed for construction. Once all easements are acquired, the construction drawings will be finalized and all permits obtained. The project is expected to start the bid phase this winter.

During this phase, competitive bids are taken from responsible contractors to perform the work. After City Council approval, the City awards the construction contract to the lowest responsible bidder. Bid phase typically takes six months.

For more information, please visit our website: stormwater.charmeck.org. Click on the **Storm Water Projects** drop down menu in the green bar, then **Active Projects** and **Peterson**.

If you have any questions about this project, please contact Project Manager Brant Smiley at 704-432-2147 or bsmiley@charlottenc.gov.

HURRICANE SEASON

JUNE 1 - NOVEMBER 30, 2014

STORMY
WEATHER
AHEAD

2014 forecast:

- 11 named tropical storms
- 3 hurricanes

75% of Charlotte's flooding happens during the months of hurricane season.

Whether it's heavy rain from a named storm or an unexpected cloudburst, Charlotte's flood chances increase dramatically in the summer.
